

Ana Taylor

The brass marker states that Ana Taylor (Anna Will Taylor) was relocated from Lot 18 Grave 76. A newer stone has replaced this brass marker, but Anna still sits close to her Mother and Father. She was born June 14, 1921, and died July 27, 1921.

She was disinterred from Ina Greer Cemetery along with other members of her family and removed to Mt Holly Cemetery. Her father, Willie N Taylor was present at the disinterment.

Her father Willie Neal Taylor (1892-1955) and mother Nora Pearl (Atnip) Taylor lay beside her at Mt Holly Cemetery.
