

Anna Will Taylor

Anna Will Taylor (June 14, 1921-July 27, 1921) was a daughter of Willie Neal Taylor and Nora Pearl Atnip. Apparently this new marker replaced the old brass marker which now sits beside her Mother and Father as does the marker of her brother, Otho Richard Taylor.

She had sisters Mary B, Irene, Ina Elizabeth, and Lila Allen. Her brothers were Otho Richard and Carl M.

Her brass marker says she was from Lot number 18, Grave 76. Her brother was Grave 77, beside her. They still are snuggled next to Willie and Nora at Mt. Holly.

They were removed from Ina Greer Cemetery and relocated to Mt Holly.
