

Arnold Tittsworth

Arnold Tittsworth was born, according to the Federal Census of 1870 in 1867, which is definitely in disagreement with the date on his tombstone. Later censuses list him as being born in 1868 or 1870, but none give the 1893 date. His father was Richard Miles Tittsworth (1839-1900) which would indicate that Richard was 28 when Arnold was born. This seems more likely. If Arnold was born in 1893 his father would have been 54 years old. Arnold's mother was Mary Womack (1838-1900). Both parents were from Warren County, Tennessee.

Arnold's death certificate gives Dec. 4-1867-Nov. 5, 1930, born and died in DeKalb County, TN, showing all dates except the death year wrong on the stone. Parents were Miles Tittsworth and Ollie Womack. It also states burial in Pack Cemetery. There was no other death certificate for any other Arnold Tittsworth in TN. The 1900 census of Warren Co., TN shows Arnold born Nov. 1867, and living with his mother, Mary, in Warren Co., TN, and again he is the only person of that name in TN in that census.

Arnold married Martha Johnson on July 19, 1919 in Dekalb County, Tennessee. She was the daughter of Alvin G Johnson (1864-1926) and Mary E Pack (1873-1948). Martha Johnson was born about 1890, but no death date could be found.

Arnold Tittsworth was interred at Heirs of Martha Pack Cemetery. Later he was disinterred and relocated to Mt Holly Cemetery. His mother-in-law, Mrs Mary (Pack) Johnson was present at his disinterment.
