

Baby Givens

This baby was born March 4, 1928, the gender unknown. It was a child of Henry Clarence Givens who was born July 15, 1903 and died on Feb. 28, 1980 and Emily Sanford March 16, 1909-March 30, 1989). Henry Clarence Givens was a son of Lemuel Harvey Givens (1876-?) and Margaret Frances McHood (1877-1939).

Henry Clarence Givens married Emily Sanford on May 7, 1927 in Davidson County, Tennessee. Henry's father Lemuel worked in Nashville for Dupont Engineering Company as a timekeeper. Possibly he encouraged Henry to move there also. Baby Givens was born in 1928 and may be the baby buried here. If so it was named Jean Givens.

The dates of death for Henry and Emily were from the Nashville Tennessean newspaper of March 1, 1980 and April 1, 1989. The full death dates are from their death certificates.

They had lived in Nashville at least from 1930, since they are recorded there on the 1930 Federal Census. Henry is also listed in the 1937, 1940, and 1942 Polk Directories. They list him as a property owner.

Baby Givens was buried at D T Puckett cemetery and was later relocated at Mt Holly cemetery. The baby's grandfather, Lemuel H Givens, was present at the disinterment.
