

Effie Caroline Watson

Effie Caroline Watson was born December 1, 1878 and died April 29, 1904. She was the daughter of Rufus H Watson (1856-1927) and Mary Jane Terry (1857-1914). No record of marriage could be found.

She was the firstborn child of Rufus and Mary Jane. She was followed by William Edgar (1882), Jessie Frances (1883), James Edward (1887), an infant (Sept 1889-Oct 1889) and Alpha Roy (1890).

Since she was firstborn and unmarried it is probable she helped her mother raise her siblings.

She was interred at Alpha Watson cemetery and later disinterred and relocated at Mt Holly cemetery, Her brother, Alpha Roy, was present at the disinterment.
