

**DIED 1846
ELEN NEW
AGE 1 YEAR 4
MONTHS AND 11
DAYS**

The death date of this little girl is the same year as her mother's. Another infant died the same year, and another sister died in 1852, six years later. These dates suggest some disease was present in District 10 of Dekalb County.

Elen New was a daughter of Matilda Simpson Foster (1811-1846) of Dekalb County, Tennessee and Nelson M New (1803-1871), a native of Georgia.

Elen was buried at T B Helm cemetery, and later disinterred and relocated at Mt Holly cemetery alongside her mother and sisters. Someone named I B Rose was present at the disinterment.
