

Ellie Jewel Jones

Ellie Jewel Jones was born on March 23, 1907 and died on July 9, 1907, the daughter of Ada Watson (Oct. 24, 1880-June 8, 1907, buried here) and Charley Jones (Oct. 1880-July 26, 1909 buried here). It seems likely that her mother, Ada, may have died of complications of childbirth, with Ellie dying about a month later.
