

Florence E Pack

Florence E Pack was born October 10, 1919 and died May 28, 1921. She was the daughter of Willie M Pack (1899-?) and Cora (Pack) Pack (1899-1921)

There is a good possibility Cora Pack died of the same misfortune as both mother and child died the same year.

Florence was buried at Heirs of Martha Pack Cemetery and was later disinterred and relocated at Mt Holly Cemetery. Her father Willie M Pack was present at the disinterment.
