

Henry Murdock

Henry Murdock was born in 1884 in Dekalb County, Tennessee and his death date is unknown. On the U S Federal census of 1900 his age is given as 16 years old. After that year he either moved away or died. He was a son of Daniel P Murdock (1849-1909) and Mary Herald (1858-?) of Jackson County, Tennessee.

Daniel P Murdock remarried in 1894 Miss Louisa Jane Weaver of White County, Tennessee. Henry and his brother Luther were living in Daniel and Louisa Jane's household in 1900.

Henry left little to trace him by. What is known is that he was disinterred from a local cemetery and relocated at Mt Holly cemetery.
