

Herman Hale

Herman Hale was born October 27, 1926 and died November 19, 1926 in District 16, DeKalb Co., TN. The DeKalb Co., TN death certificate lists him as "Infant Hale". His twin (probably) Thurman also died in 1926 in Dekalb County, Tennessee, and was apparently stillborn, since he has no death certificate.

They were sons of Felix Harvey Hale (1883-1970) and Ida Starnes (1886-1975).

He was interred at Harvey Hale cemetery, where his father Felix would be laid beside him, his mother Ida, his brother Thurman, his grandparents John L Hale (1853-1923) and Mary Emma (Garner) Hale (1859-1919) and an older brother Solon Hale who died in 1923.

When he was disinterred and relocated at Mt Holly cemetery his father, Felix Harvey Hale, was present at the disinterment.
