

Infant Hodge

A son of P James Hodge (ca 1840-1870-ca1891-1957)) and Etta McClellan (1870-1899), he was born in May 1888 and died September 11, 1888.

James Hodge and Etta McClellan were not married until December 26, 1891, so this was apparently an “early baby.”

He was removed from K C Tramel cemetery and relocated at Mt Holly cemetery. There was noone from the family present at the disinterment.
