

**Infant Jones II**

**This infant is possibly a child born to George Leslie Jones (1885-1922) and Annie BeBee Williams (1887-1918). They were married October 22, 1904 at Difficult in Smith County, Tennessee.**

**Leslie was widowed in 1918 and went to live with his brother Harvey Newton Jones (1872-1942) and his wife, Martha L Jones.**

**The record of the infant's disinterment and relocation at Mt Holly cemetery records Byrd Jones as her father, and says that he was present at her disinterment. No record could be found to prove this.**

**Also living in the household of Newton and Martha was a niece, Virginia Alene Jones, another daughter of Leslie and Annie BeBee Jones.**

**Virginia Alene married first Clayton G Cole (1898-1974) and later married William Herbert Henry, Sr. (1909-1957). She died in 1961 in Tucson, Arizona at age 48.**
