

Infant Lamberson

This little girl was a daughter of Henry C Lamberson (1873-1946) of Smith County, Tennessee and Altie M (Nixon) Lamberson (1886-1905) of Dekalb County, Tennessee. She died in July, 1904. She apparently was not given a name. The death dates of the child and mother are near each other in time.

The infant was buried at W J Nixon cemetery, and was later disinterred and relocated at Mt Holly cemetery. Her father, Henry C Lamberson was present at her disinterment.
