

John Preston & Joel Robert Buckner

Twin sons of John Preston Buckner (1857-1898) and Mary Jane Puckett (1859-1918), neither survived more than two weeks. John was born April 7, 1899 and died April 18, 1899, and Joel Robert was born April 7, 1899 and died April 20, 1899.

Sadly, their father John Preston, Sr had died on December 12, 1898, just months before the boys were born, so he never saw them. The sadness was placed on the shoulders of Mary Jane.

But she could share her sadness with her other children, those born before the twins: Henry Edward (1883), Linsay Scott (1885), Lou Vada (1887), George Solon (1890), Avo (1893) and Ethel (1896).

Buried at D T Puckett cemetery, the twins were disinterred and relocated at Mt Holly cemetery. Noone is listed as being present at their disinterment.
