

Joel Medley

Joel Medley was a member of the Medley family that succumbed to tuberculosis. He was born December 9, 1899 and died April 7, 1917. His father was Alvin Medley (1863-1919) and his mother was Laura Belle Lafever (1865-1913).

He lived to be 18 years old.

He was disinterred from Mitchell cemetery and relocated to Mt Holly cemetery. His step-mother, Velmar Mitchell was present at the disinterment.
