

**Margaret Bond**

**Margaret Bond was born May 3, 1767 in North Carolina and died April 26, 1853. Her maiden name is unknown. She was the “consort” her marker says, of William Bond. His parents are also unidentified.**

**They compensated for lack of known ancestors by leaving many descendents. Their ten known children are: Mary (1791), James Calvin (1793), Elisha (1795), Rachel (1798), Jesse (1800), John (1803), Joseph (1805), Margaret (1807), William (1809), and George (1811).**

**Margaret lived to be 82 years old her marker says, but if her birth and death dates are correct she lived to be 86.**

**She spent the last years of her life living with her daughter Rachel in Wilson County, Tennessee. The 1850 Federal Census lists her as age 83, so in 1853, the year she died she was 86 years old.**

**She was disinterred from L P Tittsworth cemetery and relocated to Mt Holly cemetery.**
