

**Martha Hale**

**Martha Hale was born September 14, 1878 and died March 1, 1880.**

**A little girl named Martha Hale was listed on the 1880 Federal Census Mortality Schedules, 1850-1880. The 1880 census states she was born “abt 1879” and died in 1880. She is said to have died of Whooping Cough. But she is listed as having died in Jackson County, Tennessee.**

**The Martha Hale whose tombstone is shown above was interred at Jerrimah Coggin Cemetery. Noone was listed as being present at her disinterment and relocation to Mt Holly Cemetery. Although her birth and death dates basically agree with the dates on the Mortality Schedule there is no way to know if she is the same little girl.**
