

Mary (Butler) Helm

Mary Ann Butler was born November 13, 1830 and died August 17, 1908. Her parentage is unknown.

She was said to have married Colman Helm in Union County, North Carolina in about 1846, but no record was found of that event.

Their firstborn son was Felix D (1851) and eleven years later Ethelda (1862).

Colman was a blacksmith, and his services were utilized by the 44th Consolidated Tennessee Infantry.

Mary (Butler) Helm was originally interred at T B Helm cemetery with her husband Colman, her son Felix and his wife Fannie Oakley, and their son Dudley. Later when they were exhumed and relocated at Mt Holly cemetery another grandson, Claud Helm, was present at the disinterment.
