

Melvina "Millie" F Pack

Millie F Pack was born on July 17, 1872 in Dekalb County, Tennessee and died October 13 1906 in Dekalb County, Tennessee. She was a daughter of William Matthew Pack (1838-1910) and Sarah Cantrell (1837-1917).

On the 1900 U S Federal Census she was still living with her parents, and since she died six years later it is supposed she never married. No record of marriage could be found.

She was interred at Heirs of Martha Pack Cemetery, and later was disinterred and relocated at Mt Holly Cemetery. Her brother, Felix Z Pack, was present at her disinterment.
