

Nichols Watson

Nichols Watson's death date was 1902. He was a son of John Allen Watson (1854-1890) and M Eveline Hendrixson (1866-?).

Eveline (Hendrixson) Watson had two other children buried near her. They were Johnie and Tiffany, both dying in 1902, the same year as Nichols Watson.

Their mother remarried a Mr Marton (Martin or Morton?).

Nichols, Johnie, and Tiffany were interred at Alpha Watson cemetery and later were relocated at Mt Holly cemetery. Eveline, their mother, was present at their disinterment.
