

S D Watson

S D Watson lived less than a year, from August 29, 1895 to March 8, 1896. His twin, S E Watson, lived until March 9, 1896. Their deaths were more than likely the result of some contagious disease.

They were children of Silas Wright Watson (1850-1895) and Ethel D Judkins (1860-1892).

They were interred at Alpha Watson cemetery and were later disinterred and relocated at Mt Holly cemetery. Their brother Hershel Watson (1888-1975) was present at their disinterment.
