

**S E Watson**

**S E Watson was the twin brother of S D Watson, who died a day earlier, if the tombstone inscriptions are correct. They were the sons of Silas Wright Watson (1850-1895) and Ethel D (Helms) Watson (1860-1897).**

**S E Watson lived from August 29, 1895 to May 9, 1896. The death dates for mother, father, and the twins indicate that four died within three years.**

**S E Watson was buried along with other members of his family at Alpha Watson cemetery, and was relocated later to Mt Holly cemetery. Noone was listed as being present at his disinterment.**
