

Solon Hale

Solon Hale's birth date is unknown, but he was born in Dekalb County, Tennessee and died there in 1923. He was a son of Felix Harvey Hale (1883-1970) and Ida Bell Starnes (1889-1975).

Besides having a large family Felix and Ida lost three other children which are not recorded in the Federal Censuses. They first lost this child, Solon, in 1923 and then lost a set of twins named Herman and Thurman in 1926.

But Felix and Ida had a large family nevertheless, beginning with Daisy in 1910, Jeffie (1912), Odell (1914), Alley (1917), Fred (1920), Frank (1923) and Willie (1930).

Solon Hale was buried with Herman and Thurman and his mother Ida and father Felix Harvey in the Harvey Hale cemetery which seems to be a family cemetery.

They were disinterred and relocated at Mt Holly cemetery. Felix Harvey Hale was still living when his children were disinterred and was present at the disinterment of the children Herman, Thurman, and Solon.
