

**Unknown or George W. Hallum?**

Since this says married Nov 21, 1880, there is only one marriage in DeKalb Co., TN on that exact date. It was G. W. Hallum to Rutha J. Bond. Since Rutha also has a stone in this cemetery, this must be for her husband George W. Hallum. He was the son of John Thomas Hallum (1811-1899) and Frances Stinson (1817-1883). George Hallum was born December 18, 1853 and died October 7, 1909. This marker seems to be giving Feb. 7 as the death date, and his death certificate gives age at death as 58, meaning born abt 1851.
