

**Varnell Stacy**

**See Varrow Nell Stacy.**

**Varnell Stacy was born October 6, 1901 and died December 31 1904. There is an older marker at Mt Holly cemetery with almost the same information. It reads: Varrow Nell Stacy---October 6, 1901-December 31, 1904. Are they twins, or perhaps the marker pictured here is a replacement for the older one. The older monument is still fairly easy to read. It is more likely only one person. Twins would have the same birth date, but would be unlikely to die on the same day three years later.**

**The father of Varnell Stacy was Robert Oscar Stacy (1871-1946). He was born in Tennessee, lived in Rockville, Putnam County, Georgia, and died in Pahokee, Palm Beach County, Florida. His wife when he died was Mary Vergie Costner (1893-1990) who lived to be 97 years old.**

**His first wife was Ada May Helm (1879-1909) who he married in Dekalb County, Tennessee on March 22, 1896. He then married Eliza Jane "Sissie" (Merritt) Foster (1872- 1959) on March 5, 1905. He then married Mary Vergie Costner (1893 – 1990). No marriage date could be found.**

**My guess is that Ada May Helm was the mother. She was buried in T B Helm cemetery where Varrow Nell was also buried. They were disinterred and relocated at Mt Holly cemetery. Ada May's brother, Claud Helm, was present at the disinterment.**
