

William Henry Dyer

June 14, 1907-October 3, 1984

William H. Dyer appears to be the son of William Fuson and Daisy (Eastham) Dyer, being listed in the censuses of Silver Point, Putnam Co., TN as "Henry". He is buried among this same family group. The odd part is that, if so, he had a brother, William Fuson Dyer, Jr.

In the 1940 census of Lebanon, Wilson Co., TN, he is listed with his wife Rosalee, age 20 in 1940. She is buried also in this cemetery beside him, her stone indicating a maiden name of Schrader.

Rosalie Schrader was born in Davidson Co., TN, but the 1940 census indicates that she had resided in Birmingham, Alabama in 1935, before her marriage. She and William H. Dyer resided in Lebanon, Wilson Co., TN in 1940. She was d/o Joseph Pete Schrader and Lee Landrum, who married in Davidson Co., TN on May 27, 1916. Rosalee and her parents resided in Davidson Co., TN in the 1930 census. By 1940 her father was living in Lebanon, Wilson Co., TN, and he had remarried there in 1938.
